All papers are double-blind reviewed. IJMC follows the comprehensive core practices established by COPE, which include guidelines on handling misconduct, ensuring ethical oversight, managing conflicts of interest, maintaining transparency in peer review processes, and fostering integrity in data and reproducibility. All content published in the Journal is immediately accessible upon publication, free of charge to both individual and institutional users. Users are permitted to read, download, copy, distribute, print, or link to the full texts of the articles housed in the journal's open-access repository, without needing prior permission from the publisher or author, in accordance with the Creative Commons CC BY-ND license (available at: <http://creativecommons.org/licenses/by-nd/4.0/>).
